Join us this summer for the 9th People of African Descent, Friends and Advocates conference! At this conference, we will share in the richness of African American culture and worship. The MCC PAD Conference really is for everyone, regardless of race, ethnicity, or nationality.

This year’s theme GROUNDED IN LOVE reflects our commitment to stand firmly upon the foundation of God’s love for us - a love that compels us to live with a holy boldness, that honors who we are and where we have come from, and that also frees us to consider who God is calling us to be.

“Attending and joining an MCC church gave me a safe place to worship. Our worship services are very diverse allowing the members to see glimpses of their faith somewhere during service. Another entity where I see glimpses of my culture is from the services and activities during the PAD conferences. Both give me a sense of belonging. During PAD, a connection is made, friendships developed and networking conducted. PAD is a time to present our unique challenges and exchange of ideas and or solutions... I get excited about connecting with those in my church who look like me and those who don't. The bridge fades and is replaced with like minds and hearts. Plus I get to sightsee a new city!” - Goldie Brown
